Profile

I am a 21 years old student in Level III of Computer science (Software engineering) at the University of Yaoundé I. Passionate about discovering new technologies, acquiring new skills. Specialized in Front-end development but with more or less knowledge in other domains. Also a partial-designer.

Some Experiences

- Great familiarity with front-end technologies like React-native, React JS and Flutter.
- Build and maintained web applications using technologies like HTML, CSS, JS and PHP.
- Worked with cross-functional teams to gather requirements with user Interfaces(UI)
- For more experiences, see https://github.com/FOMUBAD-BORISTA-FONDI

Education

- Ordinary Level (2017-2018) at GBHS Ndu
- Advanced Level(2019-2020) at GBHS Etoug-ebe
- BSc in Software Engineering(2022-present) at University of Yaounde I

Present

L3 Student at University of Yaounde I – Computer Science Department
